DISTRICT & CAMPUS PERFORMANCE OBJECTIVES

SECTION 6

2021-2022 Annual Report:
District and Campus Performance Objectives

- District and Campus Improvement Plans (DIP/CIPs):
 - CCISD and each of its campuses has developed and is implementing a DIP/CIP, as required by TEC §11.253.
 - The DIP and each CIP includes performance objectives based on data analysis and needs assessments.
 - The district and each campus periodically measures progress toward its performance objectives.

- District and Campus Performance Objectives are presented to and approved by the Board in October of each school year.

- District and Campus Improvement Plans are posted on the district's website under required postings and available for review at the central office and at each campus.
